“At Retfalvi and Associates, we are committed to providing high caliber project management consulting and training solutions to meet your business needs. Regardless of your company or project size, our role is to help you succeed.”

What We Do

At Retfalvi and Associates, we provide high caliber project management and risk management consulting solutions.

Our role is to deliver needed project management consulting services and provide a meaningful return to our client's investment. We work collaboratively and respectfully with clients and partner organizations to achieve realistic and practical solutions to our client's business challenges.

We provide consulting services in the following areas:

- Project and Program Management
- Project and Program Risk Management
- Schedule and Cost Risk Analysis
- Risk Workshops
- Portfolio Management
- Project Management Office (PMO)
- Subcontract Management
- Strategic Planning
- Proposals
- Change Management
- Lessons Learned Facilitation and Implementation

What Sets Us Apart

Our discriminator is our integrated focus on risk. Risk Management is a critical part of doing business.

Our view is that if risk management is properly practised, issues associated with project, program, portfolio, or enterprise level initiatives will be greatly minimized.

Essentially, we help you connect the dots and set you up for success right from the beginning.

Project Management Leadership Workshops

It takes true project management leadership to successfully drive today's aggressive and complex projects. Project management leadership is what makes a Project Manager an *outstanding* Project Manager.

Our workshops are based on *The Power of Project Management Leadership* and the industry proven Project Management Leadership Model©.

Perfect for all levels of project management practitioners, functional managers, and all individuals who interact with Project Managers as part of their work.

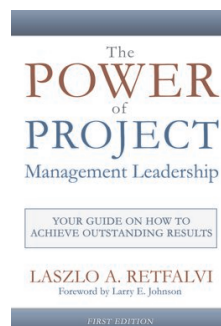

Let us help you improve your performance and unlock your full potential.

Project Management Training

Retfalvi and Associates offers professional training ideal for busy executives, project managers, and project stakeholders who need insight into proven project management approaches and who want to have a clear explanation of project management techniques.

We strive to ensure attendees walk away from our sessions with valuable information that can be applied immediately in day to day project activities.

All training and workshops are available in-house to meet your needs.
